SANITATION.

(c) Housekeeping. Premises (buildings and grounds) shall be kept clean and in good repair in order to protect the animals

The food storage and preparation area is dirty. There is accumulations of dirt under and around the freezers, cooler, table and food containers. There is water, dirt and food debris in the track of the cooler. The food preparation and storage areas must be cleaned more frequently to protect the food from contamination.
Correct by July 18, 2011.

Not all of the animals owned by this licensee were inspected, many are out of state on exhibit during this inspection.

Exit briefing conducted with owner.

End of report.
